### Maritime Electric Community Reception

Now that the Maritime Electric project is finished, they are inviting the town to a reception on November 23 from 5-7pm at the Legion for chowder and biscuits.

**SOUTH SHORE FOOD SHARE** There are families in and around our community that need a hand once in a while. Our goal is one central location for people to donate or pick up what they may need: canned goods, toiletries, dry goods, etc. We are at 20424 Trans-Canada Highway, Crapaud. We encourage ANYONE in need to contact the South Shore Food Share via Facebook, email, friend, etc. If you can't come to us, we can come to you!

### Transfer Workshop South Shore United Church

- Do you have a loved one who needs assistance transferring into and out of a car, a chair, the toilet? Would you like to learn more about how to safely guide someone in these situations? Please join us Wed. Nov. 22nd 6-8pm with leaders Heather Cutcliffe (OT) and Angela Carragher (PT). This is a free information session but we ask that you pre-register by leaving your name and phone number at the SSUC Office 902-658-2863.

### Free Financial Wellness Workshop

come out and learn about a variety of financial concepts in a fun, interactive and interesting way. Nov. 15th 7:15pm boardroom at 167 Industrial Drive. If you've ever felt overwhelmed by your finances, wished you had been taught a budgeting/financial course in school, or wanted financial concepts explained in a simple manner to understand, then this is a perfect session for you. We educate families on how a variety of financial products work and do so in a way that makes it open to all ages. Please register for a spot today by contacting Adam @ [adam\\_mdcc@hotmail.com](mailto:adam_mdcc@hotmail.com) or by calling (902)316-2477.

**Enviro Care Heat Pump Cleaning** - Did you know, to maintain proper efficiency, your heat pump should be cleaned once yearly. Dirt particles and mold need to be removed from the coils and barrel fan to open properly. A clean maintained unit will operate up to 35% more efficient which increases air flow, lowers power consumption and increases the life expectancy in you unit. Have it cleaned and breathe better.
