### Traffic Safety Initiative: Carleton Street Speed Bumps with Provincial Approval

In a collaborative effort to enhance road safety, the Town of Borden-Carleton has received approval from the Department of Transportation and Infrastructure to install speed bumps on Carleton Street. The town has now purchased these speed bumps, and new warning signage will be installed alongside them to alert drivers and ensure a safer environment

### Slow Down, Our Community Depends on It!

We all love our community and keeping it safe is a shared responsibility. When drivers speed, they put everyone at risk – pedestrians, cyclists, children playing, and even other drivers.

Let's remember that our streets are not racetracks. **Please respect speed limits** and drive with caution. A few extra minutes on your journey are worth ensuring everyone gets home safely. Let's look out for each other and make our community a safer place for all.

### ADOPT A PLANTER

YOU can help beautify the Town by participating in the Town's "ADOPT A PLANTER" program. You can have the Planter in your name or your business name or in memory of a loved one.

**WE HAVE 17 PLANTERS LOOKING FOR ADOPTION**

### Please Ring Buzzer for Assistance.

Thank you from the Town of Borden-Carleton office staff

### PERMITS – ARE REQUIRED

Whenever a structure is built or placed on a property a **development permit** is required.

Permits are required for the following:

- ✓ **Fences (All fences must be on the owner's property)**
- ✓ **Swimming Pools (fencing also required)**
- ✓ **Food Trucks /Temporary Vendors**
- ✓ **Storage Buildings/Garages**
- ✓ **Temporary Recreation Trailers**
- ✓ **Signage**

**How to Apply:** Permit applications are available at the Town office or can be requested by emailing [admin@borden-carleton.ca](mailto:admin@borden-carleton.ca).

**Please Note:** A minimum two-week processing time should be anticipated for all permit applications.
